

One Voice | Group Study

Welcome and congratulations! You've chosen to spend the next 7-8 weeks learning and practicing skills that will enable you to spend time with God in ways that are deep, intimate and more nourishing to your soul. Rather than spending your time reading what people say about the Bible, you'll spend your time reading the Bible. Rather than spending your time listening to the teachings of people about the Bible, you'll spend your time tuning into the voice of the Holy Spirit and learning from Him. This is just the beginning. These skills will grow and expand as you practice them. You can use them to study any book of the Bible, and to do topical studies as well. There is no end to the goodness that is yours to receive when you learn the art of spending time with God.

Now that you have joined a One Voice cohort, your leaders will communicate with you about the times and place to meet each week. They have chosen a book of the Bible to study together and will help lead the group through it steadily.

If you haven't already, go to Amazon to get your copy of the book, *One Voice, The Art of Spending Time With God*. During your first gathering, your leaders will walk you through the first six chapters of One Voice; so, you'll want to have read them. Also, bring your binder, and other study supplies you've chosen to begin with.

Wear your spiritual armor well during these weeks, dear friend, because Satan does not want you reading the Bible and listening to the Holy Spirit. I am praying for you and cheering you on as you join in a generation of women who love God's voice and God's book above any other!

If you have any questions, please reach out to your cohort leaders. You can also email me at melissajoymiller77@gmail.com with questions or comments.

Blessings,

A handwritten signature in cursive script, appearing to read "Melissa".
